December
2018:
Mental
Health

CHAT is a monthly series of talks around matters that are important in health and healthcare delivery

"Mental illness is not a crime," Health care professionals and law enforcement need to stop treating the mentally ill as if they have committed a crime; having an anxiety attack does not constitute a crime."

Kari Gusso

author of

A Kingdom Far Away

Where:

UROC
(Urban Research & Outreach Center)
2001 North Plymouth Ave
Minneapolis, MN 55411
